

DON'T PUT OFF CANCER SCREENING.

- **Early Detection
May Save Your Life.**

Screening can identify cancer at its earliest, most treatable stages.

- **Visit TimeToScreen.org to
Download Free Resources.**

The Time To Screen initiative provides free assistance and educational resources on screenings for lung, skin, prostate, cervical, colorectal, and breast cancers.

- **Prioritize Prevention**

Combine regular cancer screenings with healthy habits to prioritize cancer prevention strategies and reduce your risk.
